

§ 90.102

(c) Security Fence. Except in the OPEN3, DD and AD1 forms, a hive must be enclosed by a fence at least 25-10 feet from the front of the hive and 4 feet from the other sides in accordance to Chapter 160. This requirement may be waived by Animal Control. A fence is not required if the hive(s) is located at least 10 feet off the ground.
